

BRISTOL SCHOOL BOARD VOTES TO PERMIT 11TH GRADE STUDENTS TO COMPLETE HIGH SCHOOL EDUCATION

Special Meeting Held, at Which Decision is Reached — Statement Issued in Which Board Makes Known Its Decision — Credits Appeal is Made by Students, Parents and Friends.

Bristol borough school board, meeting in special session, last evening, voted to permit those students from Bristol Township, who are now attending the Bristol public schools as Bristol Township non-resident tuition students in the 11th grade, to complete their studies at the Bristol schools until they graduate in 1953.

All members of the Bristol board attended the meeting and Mrs. H. Richard Giordano served as secretary pro tem. In the absence of Paul V. Forster, secretary of the board.

The subject was discussed by the board and upon adjournment the following statement was issued:

"The Bristol Borough School Board agrees to permit the Bristol Township students in the Bristol Borough Schools' 11th grade to graduate with their classmates in 1953.

"This decision was reached despite the lack of any material facts to change its original decision and is due to the urgent appeal made by the entire membership of the 11th grade, their parents and friends and to the inability of the Bristol Township School Board to properly provide the facilities to enable them to successfully complete their high school education."

The Bristol School Board had announced, some time ago, its intention of excluding the 11th grade students due to lack of room. However, the subject has been reconsidered.

Mrs. Kate Reedman Dies; Funeral To Be Saturday

OAKFORD, Feb. 27—A resident of this community for 40 years died yesterday. The deceased is Mrs. Kate Reedman, who passed away at her home on the old Lincoln highway.

Survivors of Mrs. Reedman are the following daughters and sons: Mrs. Gertrude Boyer, Moorestown, N. J.; Mrs. Eppie Lester, of London, England; Mrs. Edith Hoeberner, Belmar, N. J.; Mrs. Dorothy Smith, Mrs. Florence Groner, Langhorne; Ralph, of Emile; Leonard, of Oakford; Steward, of Feasterville; Joseph, Trevese; also by six granddaughters and 15 grandsons.

The Rev. Phillip Henry, former pastor of Bensalem Methodist Church, will officiate at the service at two p. m. Saturday, at the funeral home of J. Maurice Tomlinson, Cornwells Heights. Interment will be in Sunset Memorial Park, Somerton. Friends may call Friday evening.

ART GROUP MEETS

The Langhorne Art group met Monday night at the home of Mrs. Charles Coates, local portrait painter, to discuss and revise rules for the Sixth Annual Art Exhibition to be held June 5, 6 and 7 in the Langhorne Community House, Maple and Bellevue avenues. Mrs. Cleon Pannypacker, of Newtown, is the general chairman of the group.

World Day of Prayer Plans Are Completed

World Day of Prayer services will be held Friday, at the Bethel A. M. E. Church, Wood street. There will be a four o'clock service for children under the direction of Mrs. Frank S. Weik, and a service for adults at eight o'clock under the leadership of Mrs. Joseph Bolden. Special music will be rendered by the choir of the Bethel A. M. E. Church and a solo by Mrs. Lillian Fraser.

The pastors and members of the congregations of the following churches will take part in the services: Bethel A. M. E.; Bristol Methodist; Harriman Methodist; Second Baptist; Bristol Presbyterian; Presbyterian Church of Our Saviour; St. James Episcopal; and Zion Lutheran.

These services are world-wide, and for everybody.

NATIONAL 4-H CLUB WEEK TO BE MARKED

Will Be Observed in All Parts of U. S., Puerto Rico and Hawaii

ACTIVE IN BUCKS CO.

In all parts of the U. S., Puerto Rico and Hawaii, the week of March 1-9 will be observed as National 4-H Club Week. Nearly two million 4-H club boys and girls will use this observance to serve as a "kickoff" for their 1952 activities. This whole program is sponsored by the Agricultural Extension Services of the Land Grant Colleges in each state in cooperation with the County Extension Associations. Local adult leaders assist with the clubs in over 80,000 communities.

4-H clubs are formed in rural communities to teach better skills in agriculture and homemaking. A wide variety of projects gives the members an opportunity to learn by doing. Club members organize their own clubs and conduct their own meetings, thus gaining valuable experience in club organization and cooperation.

Incorporation of such things as field days, tours, round-ups, exhibits, demonstrations, and judging teams into the club program provides a wide variety of experiences.

In addition to the educational program, many 4-H clubs engage in community service projects. These may take the form of donations to worthwhile charitable organizations. Collection of food for hospitals, children's homes, etc., sending CARE packages overseas.

WORLD NEWS IN BRIEF

The new consumers' price index, for the first time since August, showed no rise in the month ending Jan. 15. The index, however, rose enough to bring cost-of-living increases to many workers. A CIO official demanded that General Electric and Westinghouse pay their workers interest on \$15,000,000 in rises still awaiting Wage Stabilization Board approval.

The "anti-wetback" bill to curb illegal entry of alien workers, mainly from Mexico, was passed by the House, 162 to 10, despite labor opposition.

Prof. Owen Lattimore accused a Senate group, which for more than a year had directed charges against his loyalty, of "false" insinuations, "stacked" testimony and "losing a 'reign of terror' against the nation's foreign service officials. Chairman McCarran retorted that Prof. Lattimore's statement followed the Communist line of attack.

A constitutional amendment to prevent this country from entering into a treaty that supersedes any Federal or state law was demanded by the American Bar Association.

Full agreement with West Germany on Bonn's financial contribution to Western Europe's defense until at least July 1, 1953, was announced by the United States, Britain and France. Questions of security controls, said to be ninth-tenths solved, have delayed accord on the contractual status after the occupation ends. West Germans felt the agreement brought them close to the goal of "independence in security."

The NATO Council has accepted responsibility over trade and manpower problems connected with the European Defense Community.

France seemed headed for a new Cabinet crisis. Premier Faure said his Government would resign unless taxes were voted by Friday, but the Assembly refused to sit all night.

A purge of politically unreliable Yugoslav teachers and key personnel in industry and trade was announced.

Britain has her own atomic bomb and the plan to insure production. Prime Minister Churchill told the Commons. He declared that in promising action should the Communists break a Korean truce he had only echoed a commitment made by the Labor Government.

There was no break in the Korean truce deadlock.

American Red Cross Annual Campaign Begins

MRS. HOWARD R. PRICE
Co-Chairman — Fund Drive — Bristol District

Mrs. D. Barker Cook, Chairman of the Bristol District, American Red Cross, announces the appointment of W. Hampton Alexander and Mrs. Howard R. Price as co-chairmen for the annual campaign in the Bristol District. Mrs. Price handling the drive in the Lower Bensalem section.

The annual campaign is to be unique this year in that solicitors are asked to visit the homes in this district, asking for funds for the work of the Red Cross in its work in the great blood program for the armed forces and for civilian uses, and in addition asking for volunteers for the various services of the American Red Cross and for volunteers to give blood at the various blood-collection centers, and at the times of the visits of the bloodmobile to the community and to the various industries. In this way, citizens can enroll in the American Red Cross with their dollars, their services and their blood. This three-fold enrollment will supply our armed forces with the tools which the military cannot supply, the "home-away-from-home" touch and the life-giving blood in times of need.

A meeting of chairmen and workers for the annual campaign for funds for the American Red Cross in the Bristol District was held last evening in the municipal building. Mrs. D. Barker Cook, chairman of

PLANS FOR BANQUET

HULMEVILLE, Feb. 27—The speaker at the monthly meeting of Woman's Society of Christian Service in Neshamony Methodist Church, last evening, was Mrs. Frank Leatham, of Brookline. Active in the work of the Methodist Orphanage, Phila., Mrs. Leatham informed how the orphanage was started many years ago; told something of its history; stated that it is "run by Methodist women"; and held the interest of all as she recounted activities and interests of the 70 children who reside there.

One point of interest mentioned was that in instances where there are entire families of children, these are seated together in the dining room. "This gives them a feeling of belonging together," stated Mrs. Leatham as she added that there

BOY, 3, INJURED WHEN AUTO BACKS IN STREET

Walter Barner, Schumacher Drive, is in Nazareth Hospital

LEFT LEG IS BROKEN

A three-year-old boy of Schumacher drive, Bristol Terrace I, remains a patient in Nazareth Hospital, Philadelphia, where he was removed, after he was struck by an automobile yesterday at 1.15 p. m., near his home.

Bristol township police said Walter Barner, three-year-old son of Mr. and Mrs. Walter G. Barner, 194 Schumacher drive, was playing near his home. Mrs. Doris Kelly, of Murphy avenue and Schumacher drive, was attempting to back a vehicle from Murphy avenue into Schumacher drive, and didn't see the child, until she heard a thump and realized she had struck something. Two Vehicles Damaged In Langhorne Motor Crash

LANGHORNE MANOR, Feb. 27—Considerable damage was caused to one vehicle and slight damage to another as the result of an accident yesterday afternoon in Langhorne Manor.

According to police, Miss Claire V. Paul, 322 Station avenue, Langhorne, was operating a sedan south on Station avenue at one o'clock, when at the intersection of Comly and Station avenues, the vehicle collided with a convertible coupe operated by Vasil Michal, Princeton, N. J.

Police said considerable damage was caused to the rear of Michal's machine and some damage to Miss Paul's vehicle.

No injuries were reported. Officer Emil Awgils, of Langhorne State police barracks, investigated.

CRIMINAL COURT WORK INCREASES

A Notable Increase in The Number of Drunken Driving Charges

LIST 379 DEFENDANTS

DOYLESTOWN, Feb. 27—Bucks county criminal court business increased more than twenty per cent during the past twelve months, according to Deputy Clerk of Quarter Sessions Court Walter C. Schroeder, of Doylestown township, who has just completed an annual report of the vast quantity of business handled by that office. The increase was over the previous 12-month period.

With a rapidly-growing county and industrial expansion, the criminal court work is bound to increase even more rapidly in the future.

There were 379 defendants disposed of during the past year, and during that period, a total of \$21,185 in fines, and \$10,841.29 in costs were collected by the office, which is headed by Clerk of Quarter Sessions Lamont Marsh, of Bristol. The other deputy is Mrs. Arthur Degen, of Ottsville, who handles much of the detailed office work.

During the year, according to the records of Deputy Schroeder, there was a total of 278 juveniles appearing in court, including delinquent, incorrigible, dependent and neglected children.

There was a very noticeable increase in drunken driving cases, trials by jury, and juvenile court business in general.

During the year the following disposition was made of the cases handled: Defendants dismissed, 63; defendants acquitted by juries, 18; defendants pleading guilty, 191; defendants found guilty by the court, 84; defendants found guilty by juries, 22.

There were 18 defendants committed

3,500 BUYERS FROM 12 STATES BUY HOMES

Forty Percent of Buyers Are From Philadelphia, It is Stated

28% FROM NEW JERSEY

In the ten weeks since Levitt and Sons started taking orders for home in Levittown, Bucks County, 3,500 buyers from 12 states have made down payments on homes to be erected this year, the community builders announced. That is more than two-thirds of the 1952 construction schedule of 5,000 homes. Twelve thousand others will be built the following two years.

The sales represent more than \$26,000,000 worth of housing.

To date, more than 40 per cent of the buyers are Philadelphians, with 27 per cent coming from other Pennsylvania towns, including suburbs of Philadelphia, and Bucks County communities. New Jersey purchasers make up 23 per cent of the new Levittowners, and nearly five per cent are from other states, an analysis of sales reveals.

The rate of sales promises a complete sell-out for the year's production before the first families occupy their new homes on May 18, William J. Levitt, president, said. Public utilities work on the first sections, which began last fall, is on schedule, and the first work on actual home construction began this week with the pouring of concrete for footings and foundations.

Residents of Hatboro, Morrisville, Langhorne, Fairless Hills, Elkins Park, Yardley, Newtown, Drexel Hill and Croydon lead the migration to Levittown from towns in the greater Philadelphia area, with more than 20 families coming from

Both Sides Charge "Stalling"

Munsam—Both sides exchanged fresh charges of stalling in the Korea truce talks today as the Reds vainly protested against the Allied quelling of the Koje island civilian internecine riot. The Reds complained the Allies were deliberately blocking progress by refusing, "without justification" to let Russia take a hand in policing the projected armistice. They said Russia, more than any other "neutral" nation, deserves this role. A "voice of the United Nations command" broadcast declared Red China's charge the Allies are using germ warfare is a device to divert attention from Communist stalling tactics and cover up epidemics among enemy troops.

COUNTY BOROUGHS' ASSOCIATION PROTEST TO COUNTY COMMISSIONERS OVER WITHDRAWING ROAD FUNDS

Committee of Five Named to Confer With Commissioners and Present Resolution of Protest; — Hear Speaker Outline Facts of Social Security and The Passage of Enabling Act.

By Staff Reporter

PERKASIE, Feb. 27—One hundred and two representatives of 17 of the 22 Bucks County boroughs voted last night to protest the withdrawal by Bucks County Commissioners of the usual 20 per cent financial aid granted for the construction and reconstruction of borough roads during 1952. The representatives met in the American Legion Hall here for the usual bi-monthly dinner-meeting. The twin boroughs of Perkasia and Sellersville were the hosts. Francis J. Byers, Bristol, president of the Bucks County Boroughs Association, presided.

While the commissioners have advised of the withdrawal of the aid for roads, they have agreed to give assistance in the construction of drainage facilities.

Discussion on the protest came from the floor and culminated in the adoption of a resolution and the naming of a committee to take the problem up with the county commissioners. This committee, named later during the session by President Byers, is as follows: Walter R. Unangst, Quakertown; William Anderson, Morrisville; Thomas Diver, Doylestown; Ernest Hisey, Langhorne; Walter Scott, Newtown. This committee, armed with the resolution of protest, will confer with the commissioners.

Greetings to the visiting borough officials were extended by Lloyd Hoagcy, burgess of Sellersville; and Walter Herstine, burgess of Perkasia; Stanley Reichley, president of Perkasia borough council, and Robert S. Frick, Sr., president of Sellersville borough council, introduced the members of the official family of their respective communities.

President Byers welcomed Ernest Gross, new member of the council of Richlandtown, who was attending his first meeting of the association. Other new councilmen present were invited to stand and were greeted. The minutes of the previous meeting of the association were read by Charles H. Knapp, secretary. D. Russell Bond, Newtown, treasurer, reported a balance in the treasury of \$815.35.

Walter Unangst, who attended the meeting of the Executive Committee of the State Association of Boroughs in Harrisburg, gave a report of the proceedings of that

RESOLUTION

A Resolution requesting the County Commissioners of Bucks County to reinstate the usual 20% County aid granted for the construction and reconstruction of borough streets and roads during 1952.

Whereas, the Boroughs of the County are severely burdened by the costs of constructing and reconstructing streets to meet the demands of rapid population and traffic growth, and

Whereas, the County Commissioners have recently advised all Boroughs and Townships that County Aid Funds will not be granted for the construction or reconstruction of any roads or streets during the year of 1952; and

Whereas, the County Commissioners of neighboring Counties of Montgomery and Chester are continuing to grant such County Aid for roads and street construction to the extent of 40% and 60% respectively to cover such costs, and

Whereas, in the past it appears that the Townships received a disproportionate part of these funds for such improvements in comparison to that received by the Boroughs, and

Whereas, it is the opinion of the Boroughs Association of Bucks County that the proposed action of the County Commissioners in refusing to grant County Aid for construction and reconstruction of Borough roads and streets will retard normal progress and place a considerable financial burden upon Boroughs required to construct streets.

Therefore, be it Resolved that this Association go on record as favoring the reinstatement of the usual 20% County Aid granted for the construction and reconstruction of Borough Streets and roads, and that a more equitable distribution be made of such funds between the Boroughs and the Townships.

ADMIRAL IN HOT WATER

Vice Admiral Charles W. Fox,
who is the Navy's budget officer,
is deep in the congressional dog-
house. In a fit of exasperation, he
called some recent comments on
military waste "bunk."

Hauled before the House Ap-
propriations subcommittee to ex-
plain, Admiral Fox was a very
embarrassed officer. He said he
was misquoted. What he really
meant to say was that he could
"debunk" some of the charges.

But it all sounded the same to
Representative Hebert, committee
chairman, and he gave the admiral
a good going over.

The House committee main-
tains on public display on Capitol
Hill a "chamber of horrors" ex-
hibit of specific examples of mili-
tary waste. There will be an item
that one service will buy for, say
\$12 for which another will pay
\$18. Army, Navy, and Air Force
budget officials have been on the
pan, trying to explain some of
these purchasing operations.

There is enormous waste in
military purchasing. Some of it is
inherent and some of it is stupid.
The spectacle of the chief budget
officer of one of the services term-
ing congressional charges of waste
"bunk" does not set well with
harrassed taxpayers. Admiral
Fox's explanation that he meant
he could "debunk" some of the
charges of waste will do nothing
to allay taxpayer resentment.

What the taxpayers want from
officials in posts such as that oc-
cupied by Admiral Fox is a firm
determination to eliminate waste,
not a firm determination to assail
those who call attention to such
practices.

RUSSIAN FARM WOES

Dr. Lazar Volin, U. S. De-
partment of Agriculture expert on
Russia, reports Russia's total crop
area is 363,000,000 acres, com-
pared to a planned goal of 392,-
000,000 acres and a crop area in
1938 of 378,000,000 acres. Live-
stock totals are also believed to be
well below the official plan.

Poor farm practices persist in
Russia, says Volin. Fields are
often weedy, seeding and cultivation
late and harvests delayed.
There was a great decline in
horses and tractors during the war
which has not been made up.
Probably the greatest difficulty is
with forced labor.

Peasants on state farms are on
a low standard of living and work
unwillingly. The government re-
quisitions a portion of each year's
crop and the workers have little
incentive. Peasants could sell their
crops for 15 to 40 times as much
as the government pays them. All
this has a deleterious effect on
output.

It's a sad state of affairs for
the Russian people, but the non-
communist world sees it as a hope-
ful sign. If Russia isn't achieving
good farm production, it lacks an
indispensable sinew of war.

"WASHINGTON REPORT"

By FULTON LEWIS, JR.

(Copyright, 1952,
King Features Syndicate, Inc.)

WASHINGTON, Feb. 27. The recent sus-
pension of 13 Bureau of Internal
Revenue employees in Boston is a prime exam-
ple of just how serious the Ad-
ministration is about cleaning
house.

An investigation of the Boston
office was conducted in 1947 and
1948 by a staff of investigators from
the House Appropriations Com-
mittee. They not only raised the ques-
tion of Bureau employees engaging
in politics, in violation of the Hatch
Act, but found many other in-
stances of mismanagement and
theft. It is now 1952—four
years after the investigation—and
the Civil Service Commission just
got around to acting on the basis
of the House staff investigation.

The Civil Service Commission
considers the four-year delay "rou-
tine." And when it did act it merely
suspended the 13 employees for
periods ranging from three to six
months. That's their four-years-
later penalty for playing politics
while on the Federal payroll.

House Majority Leader John Mc-
Cormack is responsible for most of
the delay in cleaning house in Bos-
ton. He was incensed in 1948 when
the House subcommittee, headed by
Rep. Gordon Canfield, R. N. J., is-
sued its report. Most of those in-
volved are McCormack's political
recommendations, so instead of get-
ting behind the House cleaning ef-
forts McCormack tried to get the
investigators fired.

The House Appropriations Com-
mittee had hired a skilled staff of
accountants and investigators who
allegedly were protected under the
Reorganization Act from the politi-
cal spoils system. That didn't stop
McCormack, however, when the
Democrats got control of the House.
He helped move in a gang of loyal
Democrats and that was the end of
any more Appropriations Commit-
tee investigations of Bureau of In-
ternal Revenue offices in his home
state.

President Truman keeps on in-
sisting that his Administration al-
ways takes action whenever it en-
counters thievery or influence ped-
dling, so it won't do any good to
ask him why the Civil Service Com-
mission waited four years to dust
off the Boston office of the Internal
Revenue Bureau. As far as I can
ascertain, the place still is a mess.
Even the Collector, who cooperated
with House investigators in 1947,
could hardly believe what was go-
ing on. He wrote at that time:

"In February of 1944, the writer
inherited an organization rife with
personal hostilities, almost com-
pletely disorganized from an op-
erational standpoint and corroded
with an habitual attitude of indif-
ference dating back for many
months. In the light of my conver-
sations with Mr. Earl P. Smith,
supervisor in charge, I became
aware of the accounting debacle
that then existed and the magnitude
of the job ahead in restoring a
semblance of order. Public confi-
dence in the office was also at the
lowest ebb."

The House report rated 24 De-
puty Collectors in the Boston office
as "unsatisfactory."

Armed with this information and
with adequate investigators of their
own, the Civil Service Commis-
sioners, alleged guardians of the public
trust, leaped into action. For four
years they toiled over the situation,
emerging eventually with the dras-
tic plan to suspend a few of the

"Count
to 10"

Count to 10 in an argument, it is said, and you won't lose your
temper. That may or may not be so. One thing we're sure of
... if you count to 10 when you're calling someone—10 rings
of the telephone—you won't lose the party you're calling as
often as you otherwise would. Give the other fellow a chance
to get to his telephone. Ten rings take about a minute. That's
not long to wait. You'll be surprised how many more calls a
10-count will complete.

This Is a Relay

There's no particular reason why you
should be interested in such things as
crossbar switches, multicontact relays,
and conventional relays. You might
like to know, though, as a matter of
incidental interest, that whenever you
dial a call, as many as 1,000 telephone
relays, each working quicker than a
wink, spring into action. They're the
automatic switching mechanisms that
open and close circuits. Without them,
you couldn't say "Hello," "Good-by,"
or "Well—what do you know!"

Are You a Number Forgetter?

Don't let it worry you. Most people
do forget such things... birthday
dates, wedding anniversaries, ad-
dresses, telephone numbers. Next time
you forget a telephone number, here's
a time-saving tip: look it up in your
Telephone Directory. Your calls will
go through faster—often twice as fast
—if you skip that extra call to Infor-
mation. Of course, it helps to keep a
Personal Telephone Directory or call-
ing list near your telephone. That
makes for faster service still. Ask for
your free copy at the Business Office.

Supervisors Hear Of New Legislation

Continued from Page One
Elimination has been eliminated, and you now get the same amount of money per capita as they do in the roughs and cities. This is the result of the fine and efficient planning of the late Secretary of Highways, Ray F. Smock, and one of our speakers today, Daniel A. Hiley.

Secretary Thomson pointed out to the group that the new appropriation act is a two-year bill, \$3-million each year. He said that every supervisor should return to his township and ask for full support in matching money so that each township can improve the bad roads that are now entirely unimproved.

Thomson said that every township in Bucks county should set up an improvement project, in an effort to get people out of the mud. He also said that township supervisors can do their own road work faster than the State can do it. Under recent legislation, township supervisors have the right to levy any or all of four new taxes, Thomson explained. They include 10 per cent amusement tax; 1 per cent real estate sales tax; \$10 tax on trailers for house purposes; and a per capita tax on every adult resident in a township. These taxes are optional with the supervisors.

Secretary Thomson discussed the new loyalty oath bill, and advised every township employee to take it between March 1 and April 1. He said the supervisors should be the first to take the oath, although the officials do not have to take it until they run for office again. He added them, however, to do it now.

Some of the new sections of the Township Code enacted in 1951 were discussed by Secretary Thomson, as follows:
Townships can now appropriate a portion of general funds to fire companies, purchase fire-fighting equipment, or do anything the supervisors want to do to protect the townships from fire.

Townships can now collect rubbish, ashes, garbage and pay for collection out of general funds. They can also charge for this collection if application is made under different section of the code.

The townships now have the same power as borough councilmen. Thomson said that the supervisors will find out very soon that township residents want a lot of new services, and are entitled to them.

Township supervisors now have the power to name streets, the power to establish any protection for its residents so far as police service goes, even so far as dog

SOVIET COSTS PUT WOMEN IN RED

RUSSIAN WOMEN must pay from 200 to 600 per cent more for their apparel than similarly garbed Americans, it was revealed at a New York fashion show. Brought to America by Mrs. Alan Kirk, wife of the U.S. Ambassador to Russia, typical outfits purchased in Moscow were displayed to a group of shocked fashion editors. In the above picture-chart, the difference in prices is indicated as models wear Russian and American apparel of comparable quality. (International)

quarantines. Supervisors can now adopt building ordinances.

"And I might add," Thomson continued, "that a lot of Bucks county townships need building ordinances."

Township supervisors can now appoint plumbing inspectors, establish building lines and can purchase equipment up to \$750 without advertising for the lower reliable bid. Townships can levy a 2 per cent tax for purchase of new road machinery.

"You now have complete, 100 per cent control over real estate developments in a township," Thomson said. "Every township in Bucks county should have a real estate control ordinance, in my opinion."

Thomson discussed the social security bill pertaining to township employees and said that it would be in operation very soon.

"This social security bill will be optional with the supervisors," Thomson said. "If you adopt it, you must continue it for seven

years. It is okay, in my opinion, for the older employees, but for the younger people, in my opinion, it is a racket, and the younger ones are the ones who want it more than anyone else."

Thomson said the civil defense law now permits townships to appropriate from the general fund for defense purposes.

"The assessment of property for tax purposes in Pennsylvania is still the weakest feature in our local government," Thomson declared. Then he warned the County Commissioners and all others that the new plans for tax collection is going to "cost a lot of money," but that it is coming in some form. He said the assessed dollar value of property in Pennsylvania doubled three times between 1933 and 1950.

Thomson also pointed out that the township is now responsible for the payment of any police officer in the township, who becomes disabled on duty.

Today's Quiet Moment

By the Rev. Alfred C. Reinert
Pastor
Cornwells Methodist Church

Come unto me all ye that labor and are heavy laden, and I will give you rest.
—(Matthew 11:28).

O Thou mighty Deliverer, our Saviour, we praise Thee that we may come with all of life's burdens, and trust Thee for help. Cleanse us of the sins that distress us, and since our weakness makes the load seem so heavy, be Thou our Strength, Amen.

"Come unto me ye weary," dear Lord, we hear Thee say. So we, sinful, heavy laden, come unto Thee and pray; Blot out the sinful past, and cleanse us from all dross, Give strength for every burden, for each duty and each cross. Amen.

group. He also informed of the program for the convention of the state Association which is to be held in Pittsburgh June 18, 19, 20 and 21st.

In bringing to the attention of the meeting the matter of withdrawal by Bucks County Commissioners of the usual 20 per cent county aid for roadways, President Byers said that it had been discussed by members of the association and that it had been decided to put it before the meeting. "To Bristol," Mr. Byers said, "this means the loss of \$2600." Mr. Byers stated further that he understood that the reason for withdrawing the aid was to provide funds for work on Route 202, some of the expenses of which have been assumed by the County. He said he did not see why the various county districts should be

penalized for the completion of Route 202.

Ralph L. Yanish, manager of Quakertown borough, gave various figures as to assistance given by other counties to their political subdivisions. This assistance is being continued by the other counties, he stated.

Joseph Ferry, Bristol councilman, presented a motion to have the president name a committee of five to confer with the County Commissioners and to present the resolution adopted by the county association. The motion was unanimously approved.

The questions of equalization of assessments was considered and the following committee which has been investigating the subject reported progress: William H. Howell, Morrisville; Ralph B. Benninger, Sellersville; George K. Bennett, Yardley; Walter B. Fall Doylestown; Lloyd O. Weisel, Perkasie; Ralph L. Yanish, Quakertown; George Bilger, Hulmeville; D. the chief assessor of Bucks County, Elwood Britton.

The guest speaker of the evening was H. C. Hoover, manager of the Norristown office of the Social Security. Mr. Hoover spoke of the enabling act passed by the legislature as a step to bringing employees of political subdivisions of the state under federal Social Security. He made it plain that the legislature had merely adopted the enabling act, which is more or less a petition to the Federal Government, expressing the desire of the state to come under the provisions of the Social Security law. It yet remains to set up the necessary machinery before municipal employees are included in Social Security.

for nothing, it is not a handout, but it is a contributory effort and in a sense it is compulsory, employee and employer contribute alike and also the self-employed person," stated the speaker. He then gave a very comprehensive outline of amounts paid and to whom, and explained the meaning of the enabling act passed by the State government. In the course of his remarks, Mr. Hoover intimated that, perhaps due to the industrial development of Lower Bucks County, an office of Federal Social Security will be established at Bristol.

The association was invited by George K. Bennett, of Yardley, to hold the next meeting, April 22nd, at the Washington Crossing Inn, with Yardley Borough being the host. The invitation was accepted.

TRENTON CATHOLIC SMOTHERS BRISTOL BY SCORE OF 86-46

TRENTON, Feb. 27 — Trenton Catholic High smothered Bristol High, 86-46, last night on the winner's court. It was a one-sided affair from start to finish. Catholic piled up a 9-0 lead early in the contest, it being almost four minutes before Andy Accardi scored the first Bristol field goal. Incidentally, it was Accardi's lone fielder for the night. At the quarter mark, Trenton Catholic had a 17-5 lead. The homesters continued to roll up their margin and about midway in the second quarter were in front by a 37-9 count. At half-time, the score was 42-17. Catholic doubled the Bristol score at the end of the third session, 66-33.

The entire Trenton Catholic team shared in the scoring with Chinese and Patykula getting 14 and 12 points, respectively. Bob Stroble had 11 points for the losing team. Bristol's Junior Varsity team fared no better than the varsity as it went down to a 67-42 defeat at the hands of a mighty Trenton Catholic Jay Vee team.

The Junior Warriors also trailed from the start. After Frank Manzo dropped in a foul to tie the score at 1-1, Patykula scored for Catholic and from then on the resident team held the lead, increasing it as the game progressed.

Trenton Catholic was ahead at half-time, 35-18, and 55-23 at the end of the third quarter.

Bill Barkasy and Dick Crosby scored 22 of the Bristol points.

GEORGE SCHOOL TEAMS RECORD FOUR WINS

NEWTON, Feb. 27 — Varsity teams in four sports helped celebrate winter parents' day at George School last week-end by recording four wins, although Coach Ambrose Short's boy swimmers almost failed to capture their seventh victory in eight 1952 starts.

Trailing a strong Hill School "B" team, "Shorty's" boys turned on their pressure in the closing event and edged the Hill, 38-37. They close their season at Germantown Academy on Leap Year Day, February 29.

Paced as previously by Captain Sally Rogers of Jenkintown, the girls' basketball team topped visiting Germantown Friends, 45-23, leaving the seven-game record marred only by a 21-24 loss at Abington Friends with one contest remaining, at Westtown School on Saturday.

Captain Kit Weir of Langhorne was awarded his sixth straight personal victory of the season, by forfeit this time, and Bill Cole of Cranford, N. J., won his ninth straight by pinning Bob Maine in the 136-pound class, as George School's wrestlers downed Germantown Friends School, 36-10. They have won six, lost three, and close at St. Andrew's School, Middletown, Delaware, on March 1st.

Coach Ed Thode's cagers, trailing Girard College, 13-15, at the half in a tight defensive game, scored twice the visitors' third period output to win going away, 43-34, their seventh triumph against six losses. Hun School plays in Alumni Gym at eight p. m., on March 1st, to close the basketball season.

Starting late in the season, Coach Eleanor Hess's girl swimmers splash twice this week in winding up a six-meet schedule—at Haverford High last night and against Westtown School on Saturday morning. They have won two, lost two.

ning at approximately 10:30 o'clock by Pierson Burton, a neighbor, who telephoned John Lucisano and informed him of the fire. Mr. Burton then called the firemen.

Mr. Lucisano stated this morning, "It is impossible to state how much damage occurred, until the machinery is inspected by an engineer. The machinery is very expensive, and if we are fortunate enough that it is not damaged, the loss will not be as great. At any rate production is set back at least a month. It would take six months to replace the machinery if it is ruined."

Mr. Lucisano stated that the cause of the fire is not known. Firemen from five companies responded.

Firemen were forced to stretch long lines of hose to get water to the scene. Traffic was blocked during the blaze.

covered the machine she was operating struck the Barner child.

An ambulance of Bucks County Rescue Squad removed the boy to Nazareth Hospital, Philadelphia, where he remains a patient. His injuries are reported to be a broken left leg and cuts of the head. Bristol township police investigated.

Bristol township police investigated an accident yesterday morning in Croydon, at the P. R. R. bridge underpass.

According to police, a tractor-trailer operated by LeRoy Fisher, Welsh road, Philadelphia, at 9:45 yesterday morning, was travelling north on Cedar avenue at the P. R. R. bridge underpass and when the rear of the trailer rounded the turn in the road, it struck the left front of a sedan, operated by Joseph Cecchilli, 501 Princess avenue, Croydon, travelling south of Cedar avenue.

It is reported there was \$200 damage caused to the sedan, that was towed from the scene, and none to the truck.

Bristol township police officer Nuskey investigated.

is one family of seven children at the orphanage at present.

No children under four years are accepted. She stated that "the home is for destitute children, regardless of creed, according to the by-laws." However, while there, all receive Methodist training. The set-up consists of the main building, three cottages, infirmary, power house and laundry. The children by going out to school and Sunday School thus have contacts outside, which is a great boon to them when the time comes for them to make their way in the world, she informed.

"They are thus better equipped when they leave the home."

"There is a lot of enjoyment in the work, but we do have our problems," the speaker stated. Children are now accepted from broken homes as well as in cases where both parents are deceased.

Mrs. Leatham was accompanied by Mrs. R. C. Lowry of Havertown, who was also introduced to the gathering. Mrs. Lowry is in charge of the sewing projects at the Orphanage.

The devotional period, conducted by Miss Adeline E. Reetz, included a Marion Anderson recording of "He Shall Lead his People Like a Shepherd." The group singing, with Mrs. Harold Dassenburg as accompanist, and the responsive reading were in keeping with the theme of the 23rd Psalm.

Pilot Dies In Air

CAPT. L. C. BROWN, veteran United Airlines Stratocruiser pilot, collapsed and died as his giant plane, about two hours out of Honolulu, dived eastward over the Pacific. Moments before his attack, he turned over the controls to his co-pilot. The 43 passengers aboard were unaware of the drama of sudden death until the plane turned about and returned to Honolulu. Vouchers were made during the past year for payment to 80 Grand Jurors and 700 traverse jurors.

Correspondence in the Quarter Sessions office has more than doubled, for it now includes many inquiries from the United States Army, Navy, Marine Corps, Civil Service and from the draft boards.

"What's more, the vast amount of business of the Quarter Sessions office was handled in the smallest office in the Court House. Plans call however for new Quarter Sessions quarters when the Court House is rebuilt."

mitted to State institutions; 32 placed on probation; 78 committed to Bucks County Prison; 99 directed to pay fine and costs; and 70 directed to pay support orders.

During the past year the criminal cases were as follows, with 78 drunken driver charges heading the list: Murder, 2; manslaughter, 15; robbery, 41; aggravated assault, 13; minor assault, 29; burglary, 29; larceny, 9; embezzlement and fraud, 6; stolen property, 3; forgery, 4; rape, 2; commercialized vice, 6; other sex offenses, 17; deadly weapons, 5; non-support, 78; liquor law violations, 7; driving while drunk, 78; other motor vehicle code violations, 53; gambling, 5; arson, 1; bigamy, 1; other offenses, 12.

Three petitions for the appointment of private detectives were filed during the past year. Many special elections for bond issues—the biggest ever recorded in a year's time, were handled by the Quarter Sessions Court, including a \$400,000 general improvement bond issue for Bristol Borough.

Another election handled was the defeated \$150,000 road improvement bond issue in Warrington township, in Nov. 1951.

Many appeals from boards of adjustment on variances to zoning matters, were filed. Other litigations on violation of local ordinances, were also filed.

The Quarter Sessions office also handled 243 coroner's views and inquisitions.

During the year there was a general increase of roads, streets, avenues added to highway systems of Bristol township, Bensalem, Upper Southampton, Warrington township, Middletown township, Newtown township and Lower Southampton township, handled in this office.

The office handled the murder appeal verdict of Walter J. Lowry, who was found guilty after an 11-day trial.

The Quarter Sessions office handled approximately 1100 witnesses during the past 12 months, witnesses who attended court to testify in various criminal matters.

SUNDAY DINNER Suggestions

CHINESE chefs are famous for it, but you don't have to go to a restaurant to savor sweet-and-sour pork. You can prepare it quite satisfactorily in your own kitchen. Here is an economical and easy version, suggested by the A & P Service for Homemakers, to dress pork chops for Sunday dinner.

One and one-half pounds of end pork chops provide the makings for four servings. Remove bones and fat and cut meat in strips one-half inch wide. Dip in batter made of one beaten egg, one tablespoon milk, three tablespoons flour and one-half teaspoon salt. Fry slowly in three tablespoons shortening until brown and thoroughly cooked. For the sweet-and-sour sauce, fry one clove of minced garlic in one tablespoon shortening one minute. Add one chicken-bouillon cube dissolved in one cup hot water, one cup pineapple pieces, one-half cup pineapple juice, one large sliced carrot, two tablespoons vinegar, two tablespoons soy sauce and one tablespoon sugar. Let simmer five minutes. Add one large green pepper cut in eighths and cook one minute. Add meat. Thicken with cornstarch mixed with a little cold water. Serve over four cups hot, cooked rice.

As a suggestion, brew an ample supply of tea to go with this meal, just as you might have it in your favorite Chinese restaurant. And stewed dried fruit and ice box cookies make a pleasing topper for it all.

BRISTOL SCHOOL BOARD VOTES TO PERMIT 11TH GRADE STUDENTS TO COMPLETE HIGH SCHOOL EDUCATION

Special Meeting Held, at Which Decision is Reached — Statement Issued in Which Board Makes Known Its Decision — Credits Appeal is Made by Students, Parents and Friends.

Bristol borough school board, meeting in special session, last evening, voted to permit those students from Bristol Township, who are now attending the Bristol public schools as Bristol Township non-resident tuition students in the 11th grade, to complete their studies at the Bristol schools until they graduate in 1953.

All members of the Bristol board attended the meeting and Mrs. H. Richard Giordano served as secretary pro tem, in the absence of Paul V. Forster, secretary of the board. The subject was discussed by the board and upon adjournment the following statement was issued:

"The Bristol Borough School Board agrees to permit the Bristol Township students in the Bristol Borough Schools' 11th grade to graduate with their classmates in 1953.

"This decision was reached despite the lack of any material facts to change its original decision and is due to the urgent appeal made by the entire membership of the 11th grade, their parents and friends and to the inability of the Bristol Township School Board to properly provide the facilities to enable them to successfully complete their high school education."

The Bristol School Board had announced, some time ago, its intention of excluding the 11th grade students due to lack of room. However, the subject has been reconsidered.

The pastors and members of the congregations of the following churches will take part in the services: Bethel A. M. E.; Bristol Methodist; Harriman Methodist; Second Baptist; Bristol Presbyterian; Presbyterian Church of Our Saviour; St. James Episcopal; and Zion Lutheran.

These services are world-wide, and for everybody.

NATIONAL 4-H CLUB WEEK TO BE MARKED

Will Be Observed in All Parts of U. S., Puerto Rico and Hawaii

ACTIVE IN BUCKS CO.

In all parts of the U. S., Puerto Rico and Hawaii, the week of March 1-9 will be observed as National 4-H Club Week. Nearly two million 4-H club boys and girls will use this observance to serve as a "kickoff" for their 1952 activities. This whole program is sponsored by the Agricultural Extension Service of the Land Grant Colleges in each state in cooperation with the County Extension Associations. Local adult leaders assist with the clubs in over 80,000 communities.

4-H clubs are formed in rural communities to teach better skills in agriculture and homemaking. A wide variety of projects gives the members an opportunity to learn by doing. Club members organize their own clubs and conduct their own meetings, thus gaining valuable experience in club organization and cooperation.

Incorporation of such things as field days, tours, round-ups, exhibits, demonstrations, and judging teams into the club program provides a wide variety of experiences. In addition to the educational program, many 4-H clubs engage in community service projects. These may take the form of donations to worthwhile charitable organizations. Collection of food for hospitals, children's homes, etc., sending CARE packages overseas.

REQUIRE AMBULANCES

Stephen Adams, 319 Jackson street, was transported to Philadelphia, for treatment and returned yesterday morning in an ambulance of Bucks County Rescue Squad. The squad also removed the following: Scott Bailey, 21 months, Andalusia, and Colleen Roberts, Bristol Terrace II, to Abington hospital; Kenneth Grob, Sycamore Gardens, Bristol township, to Trenton, N. J. Orthopedic hospital; Mrs. Julia Leskowsky, 914 Bellevue avenue, Croydon, to Nazareth hospital, Phila.

TO DISCUSS NEW TRUCK

TULLYTOWN, Feb. 27—A special meeting of Tullytown Fire Co. is scheduled for Thursday evening at eight o'clock in the fire station. Plans will be discussed concerning purchase of a new fire truck.

WORLD NEWS IN BRIEF

The new consumers' price index, for the first time since August, showed no rise in the month ending Jan. 15. The old index, however, rose enough to bring cost-of-living increases to many workers. A CIO official demanded that General Electric and Westinghouse pay their workers interest on \$15,000,000 in rises still awaiting Wage Stabilization Board approval.

The "anti-wetback" bill to curb illegal entry of alien workers, mainly from Mexico, was passed by the House, 162 to 10, despite labor opposition.

Prof. Owen Lattimore accused a Senate group, which for more than a year had directed charges against his loyalty, of "false" insinuations, "stocked" testimony and "losing a 'reign of terror' against the nation's foreign service officials."

Chairman McCarran retorted that Prof. Lattimore's statement followed the Communist line of attack.

American Red Cross Annual Campaign Begins

MRS. HOWARD R. PRICE

The annual campaign is to be unique this year in that solicitors are asked to visit the homes in this district, asking for funds for the work of the Red Cross in its work in the great blood program for the armed forces and for civilian uses, and in addition asking for volunteers for the various services of the American Red Cross and for volunteers to give blood at the various blood-collection centers, and at the times of the visits of the bloodmobile to the community and to the various industries. In this way, citizens can enroll in the American Red Cross with their dollars, their services and their blood. This three-fold enrollment will supply our armed forces with the tools which the military cannot supply, the "home-away-from-home" touch and the life-giving blood in times of need.

A meeting of chairmen and workers for the annual campaign for funds for the American Red Cross in the Bristol District was held last evening in the municipal building. Mrs. D. Barker Cook, chairman of

Mrs. Frank Leatham, of Brookline, is speaker at Hulmeville

PLANS FOR BANQUET

HULMEVILLE, Feb. 27—The speaker at the monthly meeting of Woman's Society of Christian Service in Neshamony Methodist Church, last evening, was Mrs. Frank Leatham, of Brookline. Active in the work of the Methodist Orphanage, Phila., Mrs. Leatham informed how the orphanage was started many years ago; told something of its history; stated that it is "run by Methodist women"; and held the interest of all as she recounted activities and interests of the 70 children who reside there.

One point of interest mentioned was that in instances where there are entire families of children, these are seated together in the dining room. "This gives them a feeling of belonging together," stated Mrs. Leatham as she added that there

BOY, 3, INJURED WHEN AUTO BACKS IN STREET

Walter Barner, Schumacher Drive, is in Nazareth Hospital

LEFT LEG IS BROKEN

A three-year-old boy of Schumacher drive, Bristol Terrace I, remains a patient in Nazareth Hospital, Philadelphia, where he was removed, after he was struck by an automobile yesterday at 1:15 p. m., near his home.

Bristol township police said Walter Barner, three-year-old son of Mr. and Mrs. Walter G. Barner, 194 Schumacher drive, was playing near his home. Mrs. Doris Kelly, of Murphy avenue and Schumacher drive, was attempting to back a vehicle from Murphy avenue into Schumacher drive, and didn't see the child, until she heard a thump and realized she had struck something. Upon investigation she discovered

Two Vehicles Damaged In Langhorne Motor Crash

LANGHORNE MANOR, Feb. 27—Considerable damage was caused to one vehicle and slight damage to another as the result of an accident yesterday afternoon in Langhorne Manor.

According to police, Miss Claire V. Praul, 322 Station avenue, Langhorne, was operating a sedan south on Station avenue at one o'clock, when at the intersection of Conly and Station avenues, the vehicle collided with a convertible coupe operated by Vasil Michal, Princeton, N. J.

Police said considerable damage was caused to the rear of Michal's machine and some damage to Miss Praul's vehicle.

No injuries were reported. Officer Emil Awgils, of Langhorne State police barracks, investigated.

G. C. Louderbough Dies In Abington Hospital

At the age of 52 years, George Chester Louderbough, of 399 Wilson street, died yesterday afternoon in Abington Hospital. He had been ill a short time.

Mr. Louderbough, a life-long resident of Bristol, is survived by his wife, Florence H. Louderbough; two daughters, Mrs. Harry Walter, Mrs. Paul Bessinger, Jr., and a son George, all of Bristol; also by a sister, Mrs. William Mack, Phila.; and five grandchildren.

Mr. Louderbough was a member of Bristol Methodist Church. The Rev. Ralph E. Proud, Jr., pastor of that church, will conduct the service at two p. m., Saturday at the funeral home of John C. Black, 314 Cedar street. Burial will be in Bristol Cemetery, and friends may call Friday evening.

3,500 BUYERS FROM 12 STATES BUY HOMES

Forty Percent of Buyers Are From Philadelphia, It is Stated

28% FROM NEW JERSEY

In the ten weeks since Levitt and Sons started taking orders for home in Levittown, Bucks County, 3500 buyers from 12 states have made down payments on homes to be erected this year, the community builders announced. That is more than two-thirds of the 1952 construction schedule of 5,000 homes. Twelve thousand others will be built the following two years.

The sales represent more than \$26,000,000 worth of housing. To date, more than 40 per cent of the buyers are Philadelphians, with 27 per cent coming from other Pennsylvania towns, including suburbs of Philadelphia, and Bucks County communities. New Jersey purchasers make up 28 per cent of the new Levittowners, and nearly five per cent are from other states, an analysis of sales reveals.

The rate of sales promises a complete sell-out for the year's production before the first families occupy their new homes on May 18. William J. Levitt, president, said, Public utilities work on the first sections, which began last fall, is on schedule, and the first work on actual home construction began this week with the pouring of concrete for footings and foundations.

Residents of Hatboro, Morrisville, Langhorne, Fairless Hills, Elkins Park, Yardley, Newtown, Drexel Hill and Croydon lead the migration to Levittown from towns in the greater Philadelphia area, with more than 20 families coming from

COUNTY BOROUGHS' ASSOCIATION PROTEST TO COUNTY COMMISSIONERS OVER WITHDRAWING ROAD FUNDS

Committee of Five Named to Confer With Commissioners and Present Resolution of Protest; — Hear Speaker Outline Facts of Social Security and The Passage of Enabling Act.

By Staff Reporter

PERKASIE, Feb. 27—One hundred and two representatives of 17 of the 22 Bucks County boroughs voted last night to protest the withdrawal by Bucks County Commissioners of the usual 20 per cent financial aid granted for the construction and reconstruction of borough roads during 1952.

Whereas, the Boroughs of the County are severely burdened by the costs of constructing and reconstructing streets to meet the demands of rapid population and traffic growth, and

Whereas, the County Commissioners have recently advised all Boroughs and Townships that County Aid Funds will not be granted for the construction or reconstruction of any roads or streets during the year of 1952; and

Whereas, the County Commissioners of neighboring Counties of Montgomery and Chester are continuing to grant such County Aid for roads and street construction to the extent of 40% and 60% respectively to cover such costs, and

Whereas, in the past it appears that the Townships received a disproportionate part of these funds for such improvements in comparison to that received by the Boroughs, and

Whereas, it is the opinion of the Boroughs Association of Bucks County that the proposed action of the County Commissioners in refusing to grant County Aid for construction and reconstruction of Borough roads and streets will retard normal progress and place a considerable financial burden upon Boroughs required to construct streets.

Therefore, be it Resolved that this Association go on record as favoring the reinstatement of the usual 20% County Aid granted for the construction and reconstruction of Borough Streets and roads, and that a more equitable distribution be made of such funds between the Boroughs and the Townships.

Both Sides Charge "Stalling"

Munsum—Both sides exchanged fresh charges of stalling in the Korea truce talks today as the Reds vainly protested against the Allied quelling of the Kojiki island civilian internecine riot. The Reds complained the Allies were deliberately blocking progress by refusing, "without justification" to let Russia take a hand in policing the projected armistice. They said Russia, more than any other "neutral" nation, deserves this role. A "voice of the United Nations command" broadcast declared Red China's charge the Allies are using germ warfare is a device to divert attention from Communist stalling tactics and cover up epidemics among enemy troops.

Shoot Down "Red" Jet; Damage Another

Seoul—American jet pilots shot down one Communist jet and damaged a second today in renewed air fighting over northwest Korea as clearing weather enabled Allied planes to make fresh strikes at enemy communications. Twenty-seven F-86 Sabrejets tangled with 60 Soviet-type MIG-15s in a 10-minute battle high above Sinuiju which lies on the south bank of the Yalu river opposite Red China's Manchuria.

ADMIRAL IN HOT WATER

Vice Admiral Charles W. Fox, who is the Navy's budget officer, is deep in the congressional doghouse. In a fit of exasperation, he called some recent comments on military waste "bunk."

Hauled before the House Appropriations subcommittee to explain, Admiral Fox was a very embarrassed officer. He said he was misquoted. What he really meant to say was that he could "debunk" some of the charges.

But it all sounded the same to Representative Hebert, committee chairman, and he gave the admiral a good going over.

The House committee maintains on public display on Capitol Hill a "chamber of horrors" exhibit of specific examples of military waste. There will be an item that one service will buy for, say \$12 for which another will pay \$18. Army, Navy and Air Force budget officials have been on the pan, trying to explain some of these purchasing operations.

There is enormous waste in military purchasing. Some of it is inherent and some of it is stupid. The spectacle of the chief budget officer of one of the services terming congressional charges of waste "bunk" does not set well with harassed taxpayers. Admiral Fox's explanation that he meant he could "debunk" some of the charges of waste will do nothing to allay taxpayer resentment.

RUSSIAN FARM WOES

Dr. Lazar Volin, U. S. Department of Agriculture expert on Russia, reports Russia's total crop area is 363,000,000 acres, compared to a planned goal of 392,000,000 acres and a crop area in 1938 of 378,000,000 acres. Livestock totals are also believed to be well below the official plan.

Poor farm practices persist in Russia, says Volin. Fields are often weedy, seeding and cultivation late and harvests delayed. There was a great decline in horses and tractors during the war which has not been made up. Probably the greatest difficulty is with forced labor.

Peasants on state farms are on a low standard of living and work unwillingly. The government requisitions a portion of each year's crop and the workers have little incentive. Peasants could sell their crops for 15 to 40 times as much as the government pays them. All this has a deleterious effect on output.

It's a sad state of affairs for the Russian people, but the non-communist world sees it as a hopeful sign. If Russia isn't achieving good farm production, it lacks an indispensable sinew of war.

"WASHINGTON REPORT"

By FULTON LEWIS, JR.
(Copyright, 1952, King Features Syndicate, Inc.)

WASHINGTON, Feb. 27. The recent suspension of 13 Bureau of Internal Revenue employees in Boston is a prime example of just how serious the Administration is about cleaning house.

An investigation of the Boston office was conducted in 1947 and 1948 by a staff of investigators from the House Appropriations Committee. They not only raised the question of Bureau employees engaging in politics, in violation of the Hatch Act, but found many other instances of mismanagement and thievery. It is now 1952—four years after the investigation—and the Civil Service Commission just got around to acting on the basis of the House staff investigation.

The Civil Service Commission considers the four-year delay "routine." And when it did it merely suspended the 13 employees for periods ranging from three to six months. That's their four-years-later penalty for playing politics while on the Federal payroll.

House Majority Leader John McCormack is responsible for most of the delay in cleaning house in Boston. He was incensed in 1948 when the House subcommittee, headed by Rep. Gordon Canfield, R., N. J., issued its report. Most of those involved are McCormack's political recommendations, so instead of getting behind the House cleaning efforts McCormack tried to get the investigators fired.

The House Appropriations Committee had hired a skilled staff of accountants and investigators who allegedly were protected under the Reorganization Act from the political spoils system. That didn't stop McCormack, however, when the Democrats got control of the House. He helped move in a gang of loyal Democrats and that was the end of any more Appropriations Committee investigations of Bureau of Internal Revenue offices in his home state.

President Truman keeps on insisting that his Administration always takes action whenever it encounters thievery or influence peddling, so it won't do any good to ask him why the Civil Service Commission waited four years to dust off the Boston office of the Internal Revenue Bureau. As far as I can ascertain, the place still is a mess. Even the Collector, who cooperated with House investigators in 1947, could hardly believe what was going on. He wrote at that time:

"In February of 1944, the writer inherited an organization rife with personal hostilities, almost completely disorganized from an operational standpoint and corroded with an habitual attitude of indifference dating back for many months. In the light of my conversations with Mr. Earl P. Smith, supervisor - in - charge, I became aware of the accounting debacle that then existed and the magnitude of the job ahead in restoring a semblance of order. Public confidence in the office was also at the lowest ebb."

The House report rated 24 Deputy Collectors in the Boston office as "unsatisfactory."

Armed with this information and with adequate investigators of their own, the Civil Service Commissioners, alleged guardians of the public trust, leaped into action. For four years they toiled over the situation, emerging eventually with the drastic plan to suspend a few of the

boys for a few month. The worst thing they uncovered is that the Deputy Collectors had been overzealous in selling tickets to the Jefferson-Jackson Day dinners in 1947 and 1948.

It may be now that the Democrats regret not having paid more attention to the House report on the Bureau of Internal Revenue. The scandals are supposed to be political poison, but they could have been avoided. The investigators in 1948 went through a number of the Bureau's major tax collecting offices. In Birmingham, for instance, they found 35 Collectors, below average in efficiency, honesty and intelligence. In Little Rock, Arkansas, 16 Deputy Collectors were rated unfit; in San Francisco, where the King Committee investigation is turning up rare examples of political fixing, incompetence and dishonesty, there were 43 Deputy Collectors incapable of doing in honest day's work for the money paid them by taxpayers.

The investigators found the same situation in city after city. And they presented the Civil Service Commission with a copy of their findings. It is obvious now that they wasted their time, although it may be a little early to determine this for sure. It may be that the Civil Service Commissioners have a number of other investigations underway — which we will hear about in four year intervals.

That's Mr. Truman's type of house cleaning. He can have it.

"Count to 10"

Count to 10 in an argument, it is said, and you won't lose your temper. That may or may not be so. One thing we're sure of... if you count to 10 when you're calling someone—10 rings of the telephone—you won't lose the party you're calling as often as you otherwise would. Give the other fellow a chance to get to his telephone. Ten rings take about a minute. That's not long to wait. You'll be surprised how many more calls a 10-count will complete.

This Is a Relay

There's no particular reason why you should be interested in such things as crossbar switches, multicontact relays, and conventional relays. You might like to know, though, as a matter of incidental interest, that whenever you dial a call, as many as 1,000 telephone relays, each working quicker than a wink, spring into action. They're the automatic switching mechanisms that open and close circuits. Without them, you couldn't say "Hello," "Good-by," or "Well—what do you know!"

Are You a Number Forgetter?

Don't let it worry you. Most people do forget such things... birthday dates, wedding anniversaries, addresses, telephone numbers. Next time you forget a telephone number, here's a time-saving tip: look it up in your Telephone Directory. Your calls will go through faster—often twice as fast—if you skip that extra call to Information. Of course, it helps to keep a Personal Telephone Directory or calling list near your telephone. That makes for faster service still. Ask for your free copy at the Business Office.

Supervisors Hear Of New Legislation

Continued from Page One
mination has been eliminated. You now get the same amount of money per capita as they do in boroughs and cities. This is the result of the fine and efficient planning of the late Secretary of Highways, Ray P. Smock, and one of our speakers today, Daniel A. Riley.

Secretary Thomson pointed out to the group that the new appropriation act is a two-year bill, \$3-million each year. He said that every supervisor should return to his township and ask for full support in matching money so that each township can improve the bad roads that are now entirely unimproved.

Thomson said that every township in Bucks county should set up an improvement project, in an effort to get people out of the mud. He also said that township supervisors can do their own road work faster than the State can do it.

Under recent legislation, township supervisors have the right to levy any or all of four new taxes, Thomson explained. They include 10 per cent amusement tax; 1 per cent real estate sales tax; \$10 tax on trailers for house purposes; and 1 per cent tax on every adult resident in a township. These taxes are optional with the supervisors.

Secretary Thomson discussed the new loyalty oath bill, and advised every township employee to take it between March 1 and April 1. He said the supervisors should be the first to take the oath, although the officials do not have to take it until they run for office again. He advised them, however, to do it now.

Some of the new sections of the Township Code enacted in 1951 were outlined by Secretary Thomson, as follows:

Townships can now appropriate a general fund to fire companies, purchase fire-fighting equipment, or do anything the supervisors want to do to protect the townships from fire.

Townships can now collect rubbish, ashes, garbage and pay for collection out of general funds. They can also charge for this collection if application is made under different section of the code.

The townships now have the same power as borough councilmen, Thomson said that the supervisors will find out very soon that township residents want a lot of new services, and are entitled to them.

Township supervisors now have the power to name streets, the power to establish any protection for its residents so far as police service goes, even so far as dog

SOVIET COSTS PUT WOMEN IN RED

RUSSIAN WOMEN must pay from 200 to 600 per cent more for their apparel than similarly garbed Americans, it was revealed at a New York fashion show. Brought to America by Mrs. Alan Kirk, wife of the U.S. Ambassador to Russia, typical outfits purchased in Moscow were displayed to a group of shocked fashion editors. In the above picture-chart, the difference in prices is indicated as models wear Russian and American apparel of comparable quality. (International)

quarantines. Supervisors can now adopt building ordinances.

"And I might add," Thomson continued, "that a lot of Bucks county townships need building ordinances."

Township supervisors can now appoint plumbing inspectors, establish building lines and can purchase equipment up to \$750 without advertising for the lower reliable bid. Townships can levy a 2 per cent tax for purchase of new road machinery.

"You now have complete, 100 per cent control over real estate developments in a township," Thomson said. "Every township in Bucks county should have a real estate control ordinance, in my opinion."

Thomson discussed the social security bill pertaining to township employees and said that it would be in operation very soon.

"This social security bill will be optional with the supervisors," Thomson said. "If you adopt it, you must continue it for seven

years. It is okay, in my opinion, for the older employees, but for the younger people, in my opinion, it is a racket, and the younger ones are the ones who want it more than anyone else."

Thomson said the civil defense law now permits townships to appropriate from the general fund for defense purposes.

"The assessment of property for tax purposes in Pennsylvania is still the weakest feature in our local government," Thomson declared. Then he warned the County Commissioners and all others that the new plans for tax collection is going to "cost a lot of money," but that it is coming in some form. He said the assessed dollar value of property in Pennsylvania doubled three times between 1933 and 1950.

Thomson also pointed out that the township is now responsible for the payment of any police officer in the township, who becomes disabled on duty.

Trio Gives Shower Here For Mrs. John VanSoest

Mrs. John VanSoest, Hayes street, was guest of honor at a shower on Saturday evening at the home of Mr. and Mrs. Cornelius Versprille, McKinley street.

NEWS OF SCHOOLS IN AREA--

All public, private and parochial schools in the Bristol area are invited to send news items for publication in this column which appears frequently.

Bristol Township Elementary School

The third grade pupils have brought its study of foods to a close. They made booklets which were divided into two sections. One contained menus for seven breakfasts; the other "where the breakfasts come from." The winning team in the Breakfast Club was captained by "Judy" Traber. That team was entertained by the other teams. Refreshments were cookies and cocoa.

Mrs. Mary Kates is attending Temple University, Philadelphia, for this second semester. She is taking "Introduction to Science" and "Science Activities in the Elementary School."

Mrs. Florence Lewis, Mrs. Mary Devine, and Mrs. Dorothy McCollum met with professional groups from lower Bucks County schools to assist in a study and compilation of ethical standards for the elementary principalship. The meeting was held at Bensalem, under leadership of Mrs. Elsie Morgan.

Dr. Genevieve Bowen has completed a three-day observation and consultation program with the entire elementary staff. She has given particular emphasis to her visits with teachers who are approaching tenure status.

The elementary supervisors of Bucks County will meet at the county office of education on February 28th.

Miss Alberta Hamscher, from the

Philadelphia Dairy Council, will visit the elementary schools to plan for puppet shows on the subject of "Health."

Delhaas High School

Wednesday, February 20, the Bristol Township Association held a monthly dinner-meeting in the Delhaas High School Economics Room. Following a short business meeting the group had the pleasure of listening to Nasim Afzal, a citizen of the newly-created state of Pakistan. Mr. Afzal resides at "The International House" and is a student at The Philadelphia College of Pharmacy and Science.

Mr. Afzal spoke of the growing need for educational facilities and competent teachers in his home country. The new government is attempting to educate both the old and the young of their great mass of people. Mr. Afzal believes that the education of his people by competent teachers is the answer to the development of the proper understanding between East and West.

Pakistan's college students are more actively interested in civil affairs than are their American counterparts. Mr. Afzal says that the college students of Pakistan are the leaders in the movement for the liberation and rehabilitation of their country.

The speaker stressed the similarity of the religious and political goals of our two nations. Both nations stress the democratic way of life and are interested in the development of a more perfect democracy. Mr. Afzal believes that we should take a more positive approach in our relationships by giving more stress to the similarities of our beliefs rather than the much publicized difference between East and West.

WRITE TODAY

NEW YORK (INS) — "Be Sure to Write Today" is the slogan of the newly initiated project of the Veterans of Foreign Wars of the United States, to stimulate letters to our servicemen in distant stations, especially Korea. "Our Armed Forces in Korea, in Europe and in distant posts in this country eagerly look for letters bringing news from home," said Commander Hilton in announcing the project.

Come unto me all ye that labor and are heavy laden, and I will give you rest.
—(Matthew 11:28).

O Thou mighty Deliverer, our Saviour, we praise Thee that we may come with all of life's burdens, and trust Thee for help. Cleanse us of the sins that distress us, and since our weakness makes the load seem so heavy, be Thou our Strength, Amen.

"Come unto me ye weary," dear Lord, we hear Thee say. So we, sinful, heavy laden, come unto Thee and pray: Blot out the sinful past, and cleanse us from all dross. Give strength for every burden, for each duty and each cross. Amen.

County Boroughs' Ass'n Protests To County Commissioners

group. He also informed of the program for the convention of the state Association which is to be held in Pittsburgh June 18, 19, 20 and 21st.

In bringing to the attention of the meeting the matter of withdrawal by Bucks County Commissioners of the usual 20 per cent county aid for roadways, President Byers said that it had been decided to put it before the meeting. "To Bristol," Mr. Byers said, "this means the loss of \$2500." Mr. Byers stated further that he understood that the reason for withdrawing the aid was to provide funds for work on Route 202, some of the expenses of which have been assumed by the County. He said he did not see why the various county districts should be

penalized for the completion of Route 202.

Ralph L. Yanish, manager of Quakertown borough, gave various figures as to assistance given by other counties to their political subdivisions. This assistance is being continued by the other counties, he stated.

Joseph Ferry, Bristol councilman, presented a motion to have the president name a committee of five to confer with the County Commissioners and to present the resolution adopted by the county association. The motion was unanimously approved.

The questions of equalization of assessments was considered and the following committee which has been investigating the subject reported progress: William H. Howell, Morrisville; Ralph B. Benninger, Sellersville; George K. Bennett, Yardley; Walter B. Fall Doylestown; Lloyd O. Weisel, Perkasie; Ralph L. Yanish, Quakertown; George Bilger, Hulmeville; D. Russell Bond, Newtown; Richard Cypher, Riegelsville. This group is to arrange meetings with

the chief assessor of Bucks County, Elwood Britton.

The guest speaker of the evening was H. C. Hoover, manager of the Norristown office of the Social Security. Mr. Hoover spoke of the enabling act passed by the legislature as a step to bringing employees of political subdivisions of the state under federal Social Security. He made it plain that the legislature had merely adopted the enabling act, which is more or less a petition to the Federal Government, expressing the desire of the state to come under the provisions of the Social Security law. It yet remains to set up the necessary machinery before municipal employees are included in Social Security.

TRENTON CATHOLIC SMOTHERS BRISTOL BY SCORE OF 86-46

TRENTON, Feb. 27 — Trenton Catholic High smothered Bristol High, 86-46, last night on the winner's court. It was a one-sided affair from start to finish.

Catholic piled up a 9-0 lead early in the contest, it being almost four minutes before Andy Accardi scored the first Bristol field goal. Incidentally, it was Accardi's lone fielder for the night. At the quarter mark, Trenton Catholic had a 17-5 lead.

The homesters continued to roll up their margin and about midway in the second quarter were in front by a 37-9 count. At half-time, the score was 42-17. Catholic doubled the Bristol score at the end of the third session, 66-33.

The entire Trenton Catholic team shared in the scoring with Chianese and Patykula getting 14 and 12 points, respectively. Bob Stroble had 11 points for the losing team.

Bristol's Junior Varsity team fared no better than the varsity as it went down to a 67-42 defeat at the hands of a mighty Trenton Catholic Jay Vee team.

The Junior Warriors also trailed from the start. After Frank Manzo dropped in a foul to tie the score at 1-1, Patykula scored for Catholic and from then on the resident team held the lead, increasing it as the game progressed.

Trenton Catholic was ahead at half-time, 35-18, and 55-23 at the end of the third quarter.

Bill Barkasy and Dick Crosby scored 22 of the Bristol points.

GEORGE SCHOOL TEAMS RECORD FOUR WINS

NEWTOWN, Feb. 27 — Varsity teams in four sports helped celebrate winter parents' day at George School last week-end by recording four wins, although Coach Ambrose Short's boy swimmers almost failed to capture their seventh victory in eight 1952 starts.

Trailing a strong Hill School "B" team, "Shorty's" boys turned on their pressure in the closing end and edged the Hill, 38-37. They close their season at Germantown Academy on Leap Year Day, February 29.

Paced as previously by Captain Sally Rogers of Jenkintown, the girls' basketball team topped visiting Germantown Friends, 45-23, leaving the seven-game record marred only by a 21-24 loss at Abington Friends with one contest remaining at Westtown School on Saturday.

Captain Kit Weir of Langhorne was awarded his sixth straight personal victory of the season, by forfeit this time, and Bill Cole of Cranford, N. J., won his ninth straight by pinning Bob Maine in the 136-pound class, as George School's wrestlers downed Germantown Friends School, 36-10. They have won six, lost three, and close at St. Andrew's School, Middletown, Delaware, on March 1st.

Coach Ed Thode's eagers, trailing Girard College, 13-15, at the half in a tight defensive game, scored twice the visitors' third period output to win going away, 43-34, their seventh triumph against six losses. Hun School plays in Alumni Gym at eight p. m., on March 1st, to close the basketball season.

Starting late in the season, Coach Eleanor Hess's girl swimmers splash twice this week in winding up a six-meet schedule—at Haverford High last night and against Westtown School on Saturday morning. They have won two, lost two.

ning at approximately 10:30 o'clock by Pierson Burton, a neighbor, who telephoned John Lucisano and informed him of the fire. Mr. Burton then called the firemen.

Mr. Lucisano stated this morning, "It is impossible to state how much damage occurred, until the machinery is inspected by an engineer. The machinery is very expensive, and if we are fortunate enough that it is not damaged, the loss will not be as great. At any rate production is set back at least a month. It would take six months to replace the machinery if it is ruined."

Mr. Lucisano stated that the cause of the fire is not known. Firemen from five companies responded. Firemen were forced to stretch long lines of hose to get water to the scene. Traffic was blocked during the blaze.

covered the machine she was operating struck the Barker child.

An ambulance of Bucks County Rescue Squad removed the boy to Nazareth Hospital, Philadelphia, where he remains a patient. His injuries are reported to be a broken left leg and cuts of the head. Bristol township police investigated.

Bristol township police investigated an accident yesterday morning in Croydton, at the P. R. R. bridge underpass.

According to police, a tractor-trailer operated by LeRoy Fisher, Welsh road, Philadelphia, at 9:45 yesterday morning, was travelling north on Cedar avenue at the P. R. R. bridge underpass and when the rear of the trailer rounded the turn in the road, it struck the left front of a sedan, operated by Joseph Cecchilli, 501 Princess avenue, Croydton, travelling south of Cedar avenue.

It is reported there was \$200 damage caused to the sedan, that was towed from the scene, and none to the truck.

Bristol township police officer Nuskey investigated.

is one family of seven children at the orphanage at present.

No children under four years are accepted. She stated that "the home is for destitute children, regardless of creed, according to the by-laws." However, while there, all receive Methodist training. The set-up consists of the main building, three cottages, infirmary, power house and laundry. The children by going out to school and Sunday School thus have contacts outside, which is a great boon to them when the time comes for them to make their way in the world, she informed.

"They are thus better equipped when they leave the home."

"There is a lot of enjoyment in the work, but we do have our problems," the speaker stated. Children are now accepted from broken homes as well as in cases where both parents are deceased.

Mrs. Leatham was accompanied by Mrs. R. C. Lowry, of Havertown, who was also introduced to the gathering. Mrs. Lowry is in charge of the sewing projects at the Orphanage.

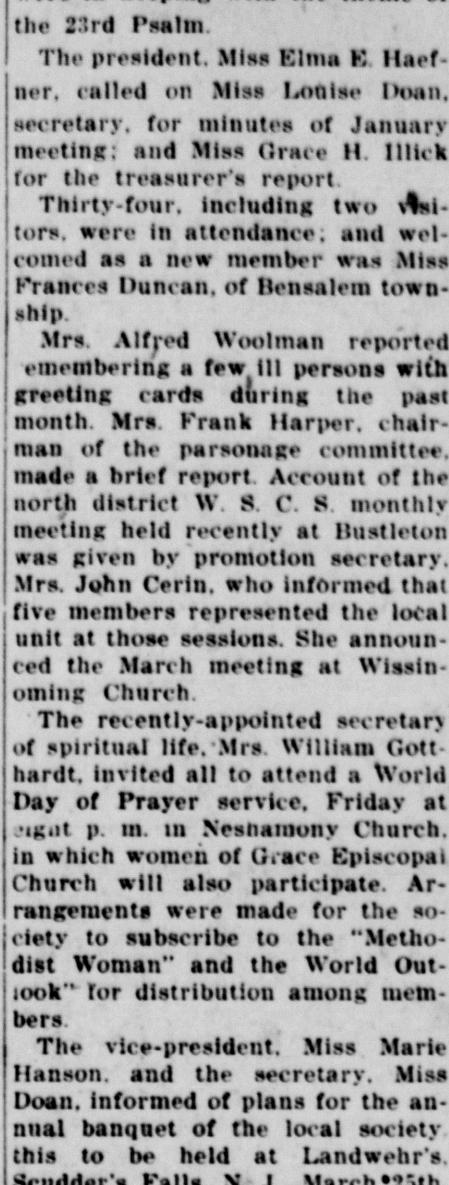

The devotional period, conducted by Miss Adeline E. Reetz, included a Marion Anderson recording of "He Shall Lead his People Like a Shepherd." The group singing, with Mrs. Harold Daseburg as accompanist, and the responsive reading were in keeping with the theme of the 23rd Psalm.

Pilot Dies In Air

CAPT. L. C. BROWN, veteran United Airlines Stratocruiser pilot, collapsed and died as his giant plane, about two hours out of Honolulu, dived eastward over the Pacific. Moments before his attack, he turned over the controls to his co-pilot. The 43 passengers aboard were unaware of the drama of sudden death until the plane turned about and returned to Honolulu. (International)

Thirty-four, including two visitors, were in attendance; and welcomed as a new member was Miss Frances Duncan, of Bensalem township.

Mrs. Alfred Woolman reported remembering a few ill persons with greeting cards during the past month. Mrs. Frank Harper, chairman of the parsonage committee, made a brief report. Account of the north district W. S. C. S. monthly meeting held recently at Bustleton was given by promotion secretary, Mrs. John Cerin, who informed that five members represented the local unit at those sessions. She announced the March meeting at Wissinoming Church.

The recently-appointed secretary of spiritual life, Mrs. William Gottardt, invited all to attend a World Day of Prayer service, Friday at eight p. m. in Neshamony Church, in which women of Grace Episcopal Church will also participate. Arrangements were made for the society to subscribe to the "Methodist Woman" and the World Outlook for distribution among members.

The vice-president, Miss Marie Hanson, and the secretary, Miss Doan, informed of plans for the annual banquet of the local society, this to be held at Landwehr's, Scudder's Falls, N. J., March 25th. Reservations are to be given to Miss Doan by March 16th. The banquet is open to all interested.

Appointed to the nominating committee are: Mrs. E. D. Atter, Mrs. Daseburg and Mrs. Harper. Nominations will be announced at the April meeting, at which time election will take place.

Members arranged to conduct a bake sale April 5th, at 10 a. m., with Mrs. Henry Mills, Miss Marian Sutton and Mrs. Pheneer in charge. The latter will also, in the near future, commence a "traveling basket."

The hostess list for last evening included the names of Mrs. Harper, Miss Ruth Shapcott, Mrs. Samet, and Miss Lillian Goslin. With some unable to attend, other members aided this group in the serving of gingerbread with whipped cream, coffee and tea.

Criminal Court Work Increases

mitted to State institutions: 32 placed on probation; 78 committed to Bucks County Prison; 99 directed to pay fine and costs; and 70 directed to pay support orders.

During the past year the criminal cases were as follows, with 78 drunken driver charges heading the list: Murder, 2; manslaughter, 15; robbery, 41; aggravated assault, 13; minor assault, 29; burglary, 29; larceny, 9; embezzlement and fraud, 6; stolen property, 3; forgery, 4; rape, 2; commercialized vice, 6; other sex offenses, 17; deadly weapons, 5; non-support, 78; liquor law violations, 7; driving while drunk, 73; other motor vehicle code violations, 53; gambling, 5; arson, 1; bigamy, 1; other offenses, 12.

Three petitions for the appointment of private detectives were filed during the past year. Many special elections for bond issues—the biggest ever recorded in a year's time, were handled by the Quarter Sessions Court, including a \$400,000 general improvement bond issue for Bristol Borough.

Another election handled was the defeated \$150,000 road improvement bond issue in Warrington township, in Nov., 1951.

Many appeals from boards of adjustment on variances to zoning matters, were filed. Other litigations on violation of local ordinances, were also filed.

The Quarter Sessions office also handled 243 coroner's views and inquisitions.

During the year there was a general increase of roads, streets, avenues added to highway systems of Bristol township, Bensalem, Upper Southampton, Warrington to township, Middletown township, Newtown township and Lower Southampton township, handled in this office.

The office handled the murder appeal verdict of Walter J. Lowry, who was found guilty after an 11-day trial.

The Quarter Sessions office handled approximately 1100 witnesses during the past 12 months, witnesses who attended court to testify in various criminal matters. "There is an increased tendency on the part of witnesses not to appear to testify," Deputy Schoreder

SUNDAY DINNER Suggestions

CHINESE chefs are famous for it, but you don't have to go to a restaurant to savor sweet-and-sour pork. You can prepare it quite satisfactorily in your own kitchen. Here is an economical and easy version, suggested by the A & P Service for Homemakers, to dress pork chops for Sunday dinner.

One and one-half pounds of end pork chops provide the makings for four servings. Remove bones and fat and cut meat in strips one-half inch wide. Dip in batter made of one beaten egg, one tablespoon milk, three tablespoons flour and one-half teaspoon salt. Fry slowly in three tablespoons shortening until brown and thoroughly cooked. For the sweet-and-sour sauce, fry one clove of minced garlic in one tablespoon shortening one minute. Add one chicken-bouillon cube dissolved in one cup hot water, one cup pineapple pieces, one-half cup pineapple juice, one large sliced carrot, two tablespoons vinegar, two tablespoons soy sauce and one tablespoon sugar. Let simmer five minutes. Add one large green pepper cut in eighths and cook one minute. Add meat. Thicken with cornstarch mixed with a little cold water. Serve over four cups hot, cooked rice.

As a suggestion, brew an ample supply of tea to go with this meal, just as you might have it in your favorite Chinese restaurant. And stewed dried fruit and ice box cookies make a pleasing topper for it all.

Know the Car You Drive

Behind the wheel of a new or strange car, even a careful driver can be a menace, says the AAA driver training book, "Sportsmanlike Driving."

Workers make errors with new machines. So do drivers with strange cars.

An unfamiliar automobile can interfere with your old driving habits. Strange gadgets may confuse you.

Your driving habits were built around the mechanical setup of your own old car. This is especially true of motor skill habits. Your muscles learned through practice just what force, direction, and time you need to reach and use your brakes, clutch, and gadgets. With a new or strange car, the same force, direction, and timing can be all wrong. The car goes haywire. In a split second, you cause an accident!

Be extra careful when you drive an unfamiliar car. Don't let your old habits fool you. You have something new to learn.

Be alert. You and your new car can cause an accident. Get acquainted slowly with that brand new car!

SPORTSMANLIKE DRIVING

KNOW THE CAR YOU DRIVE

Behind the wheel of a new or strange car, even a careful driver can be a menace, says the AAA driver training book, "Sportsmanlike Driving."

Workers make errors with new machines. So do drivers with strange cars.

An unfamiliar automobile can interfere with your old driving habits. Strange gadgets may confuse you.

Your driving habits were built around the mechanical setup of your own old car. This is especially true of motor skill habits. Your muscles learned through practice just what force, direction, and time you need to reach and use your brakes, clutch, and gadgets. With a new or strange car, the same force, direction, and timing can be all wrong. The car goes haywire. In a split second, you cause an accident!

Be extra careful when you drive an unfamiliar car. Don't let your old habits fool you. You have something new to learn.

Be alert. You and your new car can cause an accident. Get acquainted slowly with that brand new car!
